

Report No. 20, 2020

Situation Report: Confirmed COVID-19	Location: The Gambia
Date of Report: 08th April 2020	Investigation Start Date: 17th March 2020 as of 18hrs.
Prepared by: Epidemiology and Disease Control Unit, MoH, The Gambia	

I. HIGHLIGHTS

This is the 20th national situation report since the confirmation of the first case of the novel coronavirus disease (COVID-19) in The Gambia, on the 17th March 2020.

- All 6 new laboratory test results received from MRCCG were negative
- MRCCG to increase COVID-19 treatment ward capacity
- Over 80% of all calls to the 1025 Hotline were received from Western 1 and 2 health regions
- A philanthropist donated sundry items and cash to the 1025 call center personnel
- The fourth case is still on admission and is responding to treatment
- No new people admitted or discharged from quarantine
- All four confirmed cases in the country since the beginning of the pandemic were imported

SITUATION IN NUMBERS

Globally

- Confirmed Case(s): 1,518,773
- Recovery (ies): 330,589
- Death (s): 88,505

Senegal

- Confirmed Case(s): 244
- Recovery (ies): 113
- Death (s): 2

The Gambia

- Confirmed Case(s): 4
- Recovery (ies): 2
- Death (s): 1

II. EPIDEMIOLOGICAL DESCRIPTION

Tables 1, 2, and 3 show the line list of confirmed cases, epi-classification of cases and the summary of outputs on the various public health activities undertaken:

Table 1: Line List of Laboratory-Confirmed Cases, COVID-19 Outbreak, The Gambia, 2020

Case No.	Nationality	Age (Years)	Sex	Onset Date	Transmission Classification	Current Status
001	Gambian	28	Female	16/03/2020	Imported	Recovered and Discharged
002	Bangladeshi	70	Male	19/03/2020	Imported	Died
003	Gambian	71	Male	20/03/2020	Imported	Recovered and Discharged
004	Gambian	53	Male	26/03/2020	Imported	Currently Hospitalized

Probable case

- The new probable case is a 21-year old female Dutch national who arrived in the country on the 10th March 2020
- She began manifesting symptoms similar to those of COVID-19 on the 3rd April 2020

- With this development, she and her husband have been taken into quarantine while awaiting the next sample collection date.
- Second test result remains inconclusive
- Re-sampling and test will be conducted in 2 days

Table2: Epi-Classification of Reported Cases, by Region, COVID-19 Outbreak, The Gambia, 2020

Region	2020 Population Estimates	Epi Classification									
		New					Cumulative				
		Suspected case(s)	Probable Case(s)	Confirmed case(s)	Recovery (ies)	Death (s)	Suspected case(s)	Probable Case(s)	Confirmed case (s)	Recovery (ies)	Death(s)
Western Health Region One	950,266	5	0	0	0	0	125	1	3	1	1
Western Health Region Two	514,999	1	0	0	0	0	12	0	0	0	0
Upper River Region	283,911	0	0	0		0	51	0	1	1	0
North Bank West	130,196	0	0	0	0	0	1	0	0	0	0
North Bank East	129,629	0	0	0	0	0	0	0	0	0	0
Lower River	88,100	0	0	0	0	0	0	0	0	0	0
Central River	257,332	0	0	0	0	0	0	0	0	0	0
National Total	2,354,433	6	0	0	0	0	189	1	4	2	1

Table 3: Summary of New and Cumulative Public Health Response Outputs, COVID-19 Outbreak, The Gambia, 2020

Status	New	Cumulative
In Quarantine	0	39
Completed quarantine	0	253
Completed follow-up (asymptomatic people with travel history to affected countries) *	0	310
Contacts Traced**	0	233
Total Tests conducted (Repeat Test (s))***	6(0)	201
Positive test result (Repeat Test (s))***	0(0)	4
Negative test result (Repeat Test (s))***	6(0)	195
Inconclusive test result (Repeat Test (s))***	0(0)	

* Follow-up completed prior to the 17th March (when the first confirmed case was reported)

** Includes both low-risk and high-risk contacts and not mutually exclusive with number quarantined (as some have been quarantined)

*** Includes repeat tests in bracket

III. Major Response Activities

Table 4: Major response activities undertaken newly, COVID-19 Outbreak, The Gambia, 2020

Component	Interventions
Coordination	<ul style="list-style-type: none"> Daily coordination meetings ongoing at both the strategic and technical levels
Surveillance/ Laboratory	<ul style="list-style-type: none"> All 6 new laboratory test results received from MRCG were negative Regular monitoring of the condition of all persons under quarantine Regular follow up of all persons discharged from quarantine ongoing No new people admitted or discharged from quarantine As of today, 39 people are currently in quarantine
Case Management & IPC	<ul style="list-style-type: none"> MRCG to increase COVID-19 treatment ward capacity Provision of regular psychosocial support to people in quarantine Fourth case still receiving treatment and remains in stable condition (clinically and psychologically)
Logistics/Security	<ul style="list-style-type: none"> PHEOC received provisions from a philanthropist to support the call centre operators
Risk Communication and Community Engagement	<ul style="list-style-type: none"> 2 TV and 9 radio programs successfully conducted 1 press briefing conducted 17 communities sensitized/engaged on COVID-19 preventive measures using different community structures Summary of social media activities: 3 Facebook and 2 Twitter posts shared, with a total of 1,300 people reached Summary of calls made to 1025: a total of 371 calls received (348 COVID-19 related and 23 non-COVID-19 related. 3 booked for further follow up). See below for regional comparison

IV. Next Steps/Recommendations:

- The Ministry of Health in collaboration with GRCS and other stakeholders to continue with the massive community sensitization activities.
- Follow-up and provision of continuous psychosocial support to affected communities, persons under quarantine, people who have just been discharged from both quarantine and the treatment centres
- Review and implement national quarantine SOPs
- Identify isolation rooms in all health facilities and treatment centres in all regions
- Initiate community surveillance in all regions with undesignated border posts
- Develop and distribute national COVID-19 treatment guidelines
- Continue with daily follow-ups of low risk contacts and those discharged from quarantine
- Encourage public reporting and self-reporting of high risk individuals through the toll-free line (1025)
